- 008, this Court signed the stipulated Protective Order (Case No. 306), that allows a party to designate a document or deposition testimony "Confidential" or "Highly Confidential" when that party believes the document or testimony contains "trade secrets, or other confidential research, development, or commercial information, within the meaning of Fed. sensitive information for which special protection from public disclosure and from use for any purpose other than prosecuting this litigation would be warranted." *See id.* at 1-6.

- 3. When litigation materials are designated confidential pursuant to the Protective Order, "a Party may not file [them] in the public record." A party that seeks to file under seal any Protected Material must comply with Civil Local Rule 79-5." *Id.* at 11.
- 4. Upon information and belief, the documents contained in Exhibits <u>1-4</u> to the Declaration of Shaun M. Van Horn in Support of Mitsubishi Electric's Motions in Limine Nos. 1-3 have been designated by certain Plaintiffs and Defendants as "Confidential" under the terms of the Stipulated Protective Order entered in this case. Mitsubishi Electric seeks to submit this material under seal in good faith in order to comply with the Protective Order and this Court's Local Rules. Because these Plaintiffs and Defendants have designated content in these documents as "Confidential" or "Highly Confidential," it is their burden to establish that the designated material is in fact sealable. Civ. L. R. 79-5(d).
- 5. Upon information and belief, **Exhibit 6** to the Declaration of Shaun M. Van Horn in Support of Mitsubishi Electric's Motions in Limine Nos. 1-3 contains confidential, nonpublic, proprietary, and highly sensitive information about Mitsubishi Electric's sales processes, business practices, internal practices, and confidential business and/or competitive positions. I am informed and believe that this is sensitive information and public disclosure of this information presents a risk of undermining Mitsubishi Electric's business relationships, would cause it harm with respect to its competitors and customers, and would put Mitsubishi Electric at a competitive disadvantage.

I declare under penalty of perjury under the laws of the State of California and the United States that the foregoing is true and correct.

Executed this 13th day of February, 2015 at Chicago, Illinois.
